The company plans to manufacture the listed controlled substances for distribution to their research and forensic customers conducting drug testing and analysis.

No comments or objections have been received. DEA has considered the factors in 21 USC § 823(a) and determined that the registration of Cerilliant Corporation to manufacture the listed basic classes of controlled

substances is consistent with the public interest at this time. DEA has investigated Cerilliant Corporation to ensure that the company's registration is consistent with the public interest. The investigation has included inspection and testing of the company's physical security systems, verification of the company's compliance with state and local laws, and a review of the company's background and history. Therefore, pursuant to 21 USC § 823(a), and in accordance with 21 CFR § 1301.33, the above named company is granted registration as a bulk manufacturer of the basic classes of controlled substances listed.
